

2025 Colloquium on Qualitative Health Sciences Research

May 9th, 2025 – 11:30am – 4pm CST

In person and virtual (via Zoom)

Hudson College of Public Health, Room CHB150 | 801 NE 13th St, Oklahoma City
Optional Mixer to Follow at Skydance Brewing!

Keynote Speaker:

Michael Duke, PhD, Director of Qualitative Research, Benioff Homelessness & Housing Initiative, University of California, San Francisco

The OUHSC Qualitative Methods Community of Practice (QMCOP) and the TSET Health Promotion Research Center invite you to submit an abstract for presentation at the annual *Colloquium on Qualitative Health Sciences Research*.

Register to attend as a presenter or non-presenter. Registration and attendance are free.

This will be a come-and-go event! All are welcome from any university or affiliation.

The QMCOP aims to build the OUHSC's capacity and reputation in employing excellent qualitative research methods in the health sciences.

The *2025 Colloquium* offers an opportunity for students, trainees, public health professionals, faculty, and community members to present studies that are either completed or works in progress.

Submit an abstract
(200-word limit) or
register to attend at
